

RYSA Recreational Soccer Request for Financial Assistance

Financial assistance is available to assist those players who are not able to afford the total costs associated with playing on their recreation team. Therefore, RYSA allots a specific amount of money each year to help those families with recreation players who need financial assistance.

Financial assistance for the recreation program is on a first-come, first-served basis and once the financial assistance funds are gone for a particular season no more aid can be given. In order to spread the assistance as far as possible, we ask each family seeking aid to pay as much as they can afford.

The primary criterion for qualifying for financial assistance is eligibility/participation in the Free and Reduced Lunch Program. Please submit a copy of your letter with this request. In lieu of proof of eligibility/participation in the Free and Reduced Lunch Program, applicants for assistance are asked to write a letter of explanation as to why they are seeking consideration for aid.

Applications for financial assistance must be made by a player's parent or guardian. Financial assistance applications will be held in confidence between the parent/guardian and RYSA.
